

# IMAGINE HEALING WITHOUT THE POWER OF VOLUNTEERS

2014 marks 25 years of National Volunteer Week.

A week when we take time to celebrate the volunteers who nurture and support people and allow us to heal and grow.

Thank you to all the volunteers who freely give their time, skills and experience to support services in the areas of health, drug and alcohol support, homelessness, disability services, mental health, social support and animal welfare.

Thank you for having the imagination to make a difference.
