

Insurance can be puzzling, but not with Aon's **Insurance Puzzle Solver!**

"It's the simple way to solve and apply for your organisation's insurance"

Sam Small

What's the Insurance Puzzle?

As Volunteering Australia's **approved** insurance provider, Aon wants to ensure your organisation, volunteers and employees are appropriately protected while doing their good work.

The feedback of our NFP association partners and customers said that understanding and applying for the right insurance is a tough task. Generally, there are too many risks and policy options, plus too much jargon.

With this knowledge, we created the **Insurance Puzzle Guide** (overleaf) to help simplify the cover options applicable to NFPs and now offer the **Insurance Puzzle Solver** for your organisation.

What's the Insurance Puzzle Solver?

As all volunteering organisations are unique, your insurance package should be too. Is it possible you're missing a piece of the insurance puzzle, or paying for covers you don't need?

Our **Insurance Puzzle Solver** is a quick, interactive and easy online tool that by answering 10 questions, identifies only the covers your NFP needs and allows you to apply for them online, request a call back from our dedicated NFP team or have the application emailed. Plus, our online application forms now have handy (?) to help you with insurance jargon.

Know your puzzle pieces?

The below puzzle guide is a great starting point before entering our Insurance Puzzle Solver or contacting our NFP team.

 <p>Protector/ Association liability</p>	<p>A director, officer or bearer of your NFP in carrying out their normal duties, may receive an allegation of wrongdoing. So too may any paid staff or volunteer as part of day-to day running of the organisation, for example, when giving advice on your website, on the phone or in marketing material. That's where this cover helps protect the organisation and the individual.</p> <p>Also ask us about Employment practice liability and fidelity cover.</p>
 <p>Public Liability</p>	<p>If third parties suffer an injury or property damage as a result of your organisation's activities, we'll ensure your organisation, directors and paid + volunteer workers are protected in the event of a claim.</p>
 <p>Property</p>	<p>Should an item that generally doesn't leave your premise, like a machine or money, get lost, damaged or stolen, you'll be covered under this policy. If certain items do need to leave the premises, we can ensure they're covered too.</p>
 <p>Business Interruption</p>	<p>If you have to close your doors due to an unforeseen accident, such as a fire, business interruption insurance will cover loss of gross profit as a result of a claim.</p>
 <p>Voluntary Workers Personal Accident</p>	<p>While carrying out work on behalf of your organisation, should a volunteer injure themselves, no matter their age, our personal accident cover will protect your organisation if there is a claim.</p>
 <p>Motor</p>	<p>Owned Motor vehicles: Cover protecting your organisation's (incl. leased) vehicles. Damage to 3rd party vehicles and 3rd party property is also covered.</p> <p>Non-owned Motor vehicles: This covers loss of excess, no claim bonus and hire costs for vehicles not owned by your organisation (such as volunteer-owned vehicles) but being used on behalf of the organisation.</p>
