# General Advice Warning

---

The information provided to you may be general advice. In preparing the information, no account was taken of your own personal objectives, financial situations, or needs.

Accordingly, you should take into account the appropriateness of any general advice or information we have given having regard to your own objectives, financial situation and needs before acting on it. Where the information relates to a particular financial product, you should obtain and consider the relevant Product Disclosure Statement before making any decision to acquire that financial product. Please feel free to contact your nearest Aon branch for further information and assistance.

# Constraints in volunteering

---

- ① Do volunteers feel protected?
- ① How can you encourage more volunteers to work with you?
- ① How can you find greater calibre of volunteers to join your board?
- ① Insurance can be used to open new possibilities to your organisation

Appropriate insurances and risk management can assist in making your organisation feel more desirable to be a part of due to your protections and procedures allowing volunteers to feel protected for their actions.

# What is Risk Management?

---

- ① A recognised method of injury prevention – risk management is not insurance, it needs to be in place before insurance is thought of
- ① Risk management is more important than ever for insurers to take on risks for various organisation activities
- ① Risk management needs to be considered for more than just physical assets. Eg recent cyber attacks
- ① Risk management should be unique to each organisation as even similar organisations will have different procedures for their activities
- ① Insurance should be your final solution and can expand your potential

# Common insurances for NFP's

---

- ① Association Liability (Professional Indemnity & Management Liability)
- ① Public Liability
- ① Volunteers Personal Accident
- ① Property & Contents
- ① Motor
- ① Cyber Liability
- ① Business Travel
